***** Students seeking licensure for Family and Consumer Sciences Education must meet licensure standards as well as degree requirements. See Family and Consumer Science Education licensure requirements in the General Human Ecology section and College of Education section of the Undergraduate Catalog.

Offered in the Spring of Odd Years

****124 Hours Required for Graduation**

>Grades of "C" or higher are required

Note: The College of Human Ecology requires a "C" or higher in "Professional Studies" courses, and the University General Education requirements must be met by K-State courses.

Up to half of the credits required for a four-year degree may be completed at an accredited two-year college.
*Each student must complete at least 30 K-State resident credits to be considered for a degree from K-State. Further, the student must complete 20 of the last 30 hours of resident credit at K-State. A minimum of 45 hours must be at a course level of 300 or above.

Maximum of 62 credits from a two-year institution.

UGE courses completed (300 level or above)
_____ (3)_____
_____ (3)_____
See UGE policy for additional requirements. K-State courses only.
