Directed Service (Administration of the ID program as the Coordinator)

- ID Program Coordinator July 2008-
- My first official appointment as ID Program Coordinator was for the academic year 2004/2005, however I unofficially did the work of the Program Coordinator from August 2003 through June 2005. As Coordinator, I facilitated self-governance by scheduling and conducting meetings of the ID faculty, preparing meeting agendas and minutes, serving as a contact for the public and Foundation for Interior Design Education Research (now Council for Interior Design Accreditation), and managing other paperwork (National Association of Schools of Art and Design report data, KSU Study Guide revisions, selective admissions process, etc.) for the ID program. I initiated revision of promotional information. I was interviewed about ID education and K-State's program for an article on interior design education published in *Perspective*, Spring 2004. I directed the design and procurement of new student lockers. I made recommendations for ID faculty and adjunct teaching assignments. I met with prospective donors. I assisted the Department Head in making decisions that would enhance the ID program.
