

EDGAR CHAMBERS IV

Kansas State University - Justin Hall, Dept. HN
Manhattan, KS 66506
Phone: (785) 532-0156
Fax: (785) 532-3132
e-mail: eciv@ksu.edu

EDUCATION:

Ph.D. Sensory Analysis, Kansas State University - 1980

M.S. Foods and Nutrition, Kansas State University - 1979

B.S. Food Science, University of Tennessee - 1977

Postgraduate courses: Psychology and Behavior, Washington University (St. Louis) -1983-84

PROFESSIONAL EXPERIENCE:

University Distinguished Professor of Sensory Analysis and Consumer Behavior and Director, Sensory Analysis Center, Dept. of Human Nutrition, Kansas State University, Manhattan, KS, 1988-present (promoted to Professor 1993, named Distinguished Professor 2008)

Direct M.S. and Ph.D. students and teach courses in sensory analysis, consumer behavior and evaluation, and food trends. Direct projects conducted by professionals, graduate students, technicians, and clerical workers to ensure collection, analysis, and reporting of data for projects including development, marketing, advertising, quality assurance, and legal issues. Projects include categories such as food, cosmetics, packaging, textiles, pharmaceuticals, paint, and paper.

Consultant (Sensory Analysis and Statistics), 1985- Present

Various product evaluation, statistical, and test design projects on food, beverages, paper, paint and other consumer goods for companies such as: Pfizer, Avon, Scott Paper, General Mills, DuPont, Sundor Brands, The Seven Up Co., Schering-Plough HealthCare, Gerber Corp., and others.

Manager, Sensory and Statistical Analyses, The Seven Up Company (Headquarters), St. Louis, MO. 1981-1985

Responsible for the design and analysis of sensory and consumer evaluation projects, development of products using computer-assisted modeling, and training personnel in statistical analysis. Managed personnel who conducted studies on shelf-life, new product quality, ingredient substitution, and sensory quality assurance.

EDGAR CHAMBERS IV, cont.

OTHER PROFESSIONAL ACTIVITIES (focus on last 5 years)

One of 3 U.S. Representatives to International Organization for Standardization, Consumer and Sensory Analysis Committee biannual meetings, 1992 (USA), 1996 (Spain), 1998 (Denmark), 2000 (England), 2002 as Head of Delegation (Germany), 2004 (Hungary), 2005 (USA), 2009 (China)

Editorial Board - Journal of Sensory Studies (Co-Editor), Kasetsart (Thailand) Research Journal of Natural Sciences

Advisor, Royal Thai Institute Sensory Dictionary Project, 2008-2011

Research Article Reviews - Food Quality and Preference, Journal of Food Science, Food Technology, Cereal Chemistry, Lebensmittel Wissenschaft und Technologie, USDA peer reviews, Color Research and Applications, Chiang Mai Journal of Science

Grant Reviews - USDA Small Business Development Grants Reviews; Cornell University, Univ. of Missouri, and Texas A&M Competitive/Peer Grants Reviews

Scientific Advisory Committees – Pangborn International Sensory Sciences Symposium, 2003, 2005, 2009; International Program in Sensory Evaluation (Vietnam) – 2009, ProPak Asia, 2009

USDA CREES committee to establish obesity research priorities, 2004

USDA/Society for Nutrition Education, Chair, “Working Group 3” on Research in the Food Stamp Nutrition Education Program, 2003

USDA Economic Research Service (USDA-ERS) committee to establish research priorities, 1999

Scholarship Committee Chairman - American Italian Pasta Co. 1992-2004

HONORS AND HONORARY SOCIETIES:

Named “University Distinguished Professor” – Kansas State University, 2008

Outstanding Paper in Marketing/Culture, World Tea Association, 2007 (with D. Chambers and J. Lee)

David R. Peryam Award, 2006 (given by ASTM International and selected by a committee of sensory experts in ASTM International and the Institute of Food Technologists)

ASTM International Award of Merit and title of “Fellow”, 2006

Named “Distinguished Graduate Faculty” – Kansas State University, 2005

Outstanding Paper in Nutrition and Health, Joint Association of Extension Administrators/Association of Research Directors, 2005 (with S. Godwin and R. Coppings)

Research Excellence Award, College of Human Ecology, Kansas State University, 1998, 2004

Certificate of Appreciation, Korean Society of Food Science and Nutrition, 2004

Outstanding Paper, Association of Research Directors, 1997 (with S. Godwin)

Who’s Who in Science and Engineering, 1997, 1998

Award of Merit (1993), Certificate of Appreciation (1989), ASTM Committee on Sensory Evaluation Leadership award, Omicron Nu - Kansas State University, 1992

Alumni Distinguished Service Award, Kansas State University, 1985

General Foods Fellow, 1977-78

Sigma Xi, Omicron Delta Kappa, Omicron Nu, Phi Kappa Phi, Phi Eta Sigma, Phi Tau Sigma, National 4-H Food-Nutrition Winner, 1972

EDGAR CHAMBERS IV, cont.

PROFESSIONAL ORGANIZATIONS:

Society of Sensory Professionals – Co-chair, 2007-2009

American Society for Testing and Materials (ASTM) - Sensory Evaluation Division, Chairman, 1995-97; Vice-Chairman 1992-95; Executive committee (since 1986); Chairman, Awards and Nominations committees 1998-2002 on-going member of those committees; member, Division on Appearance of Materials, 1990-Present

Institute of Food Technologists (IFT) - speaker for the 2002, 1992, and 1989 Sensory Division Symposia; 1990 technical workshop at National meeting; Secretary, St. Louis section (1985-86)

American Association of Textile Chemists and Colorists (AATCC) - member of technical committee RA-89 on Hand Evaluation of Textiles

Marketing Science Association - Associate (Academic) member

Advertising Research Foundation - Institutional member

SHORT COURSES TAUGHT/OTHER UNIVERSITY ACTIVITIES:

“Practical Consumer Testing” – Shanghai, China, 2007

“Market Development for Cheese: Flavor Options” (with D. Chambers) – Sunchon, Korea, 2007

Graduate Study Tour – “Food Development and Marketing in Thailand”, Bangkok Thailand, 2006

Visiting Professor, Assumption University, Bangkok, Thailand, 4 week intensive 3 credit course “Sensory Evaluation”, 2006

"Consumer Testing" - Morristown, NJ, in cooperation with Sensory Spectrum, Inc., 1987 (twice), 1989, 1990, 1991, yearly 1993-2007

“Consumer Sensory Evaluation” – 2003, Bangkok, Thailand.

"Statistics for Sensory Analysis-Basic and Advanced"-Morristown, NJ, in cooperation with Sensory Spectrum, Inc., yearly 1989-2004

“Management for Sensory Analysis” - Savannah, GA, in cooperation with Sensory Spectrum, 2000

“Product Development for the Low Calorie Food Market” - Malaysia; Thailand; Indonesia; Sponsored by the U.S. Agency for International Development, 1995

"Teaching Sensory Analysis" - Kansas State University, in cooperation with USDA and other university faculty. 1993, 1994

"Product Testing by Consumers" - Kansas State University, in cooperation with other industry representatives, 1988

"Multivariate Statistics" - The Seven-Up Co. and Philip Morris, Inc., 1984

"Basics of Sensory Analysis" - Kansas State University, in cooperation with faculty, 1982, 1983

Guest Lecturer - Tennessee State University Annually 1994-present

Guest Lecturer - Alabama A&M University, 1994

Guest Lecturer - Southeast Missouri State University - Annually 1981-1989

Visiting Professor, - University of Missouri - 1985

Visiting Instructor, University of Alabama, 1981

GRADUATE STUDENT ADVISING

EDGAR CHAMBERS IV, cont.

Doctoral Students Completed – 11

Doctoral Students in Progress – 6 (1 as co-advisor)

Master's Students Completed – 24

Master's Students in Progress - 1

Graduate Student Awards:

1st Place – Institute of Food Technologists Sensory Division Scholarship - 2008

1st Place – International Sensory Project Design Competition (Team of 5 students) - 2007

1st Place – International Sensory Project Design Competition (Team of 5 students) - 2006

1st Place – International Sensory Project Design Competition (Team of 6 students) - 2005

1st Place – KSU Food Science Research Paper Competition – 2004

1st Place – KSU Graduate Student Paper Competition – Social Sciences - 2003

1st Place – Institute of Food Technologists Sensory Grad. Res. Paper competition, 2002.

1st Place – Institute of Food Technologists Sensory Grad. Res. Paper competition, 2001.

1st Place – Institute of Food Technologists Sensory Grad. Res. Paper competition, 1999.

1st Place – Cherry Marketing Board Product Development Competition, 1997

2nd Place – Institute of Food Technologists Sensory Grad.Res. Paper competition, 1996.

2nd place – Amer. Assoc. Textile Chemists and Colorists Grad. Res. Paper comp., 1994

Finalist – Institute of Food Technologists Sensory Grad. Res. Paper competition, 1993.

2nd place – Phi Tau Sigma Inst. Food Technol Grad. Res. Paper Competition, 1992

Graduate Student Internships secured:

Moskowitz Jacobs Marketing Research, New York – 7 months

S.C. Johnson, Racine, Wisc – 7 months

Sensory Spectrum, Chatham, NJ – 2 internships - 6 months each

Pepsico Intl, 4 International Locations – 12 months

Frito-Lay International, Bangkok, Thailand – 6 months

Unilever, Connecticut – 3 internships, 6-11 months each

Unilever, Chicago – 3 internships – 6-12 months each

Avon Products, Suffern, NJ – 2 internships - 3 months

Kelloggs, Battle Creek, MI – 4 internships – 6-11 months each

Fleischman Hilliard, Kansas City – 6 months

General Mills, Minneapolis, MN – 7 months

Nestle, Columbus, Ohio – 6 months

Nabisco, East Hanover, NJ – 3 months

Coors, Golden, CO – 3 months

Bush Brothers, Knoxville, TN – 3 internships - 3 months each

Cadbury Schweppes, CT – 3 months

Schick Wilkinson Sword, Milford CT - 3 internships – 1 for 3 months and 2 for 12 months

ConAgra Frozen Foods, Lincoln, NE – 9 months

Peryam & Kroll Market Research, Chicago – 6 months

M&M Mars, Hacketstown, NJ – 3 months

Hills Pet Foods, Topeka, KS – 6 months

PRESENTATIONS:

EDGAR CHAMBERS IV, cont.

- “Sensory Analysis in the Development of Healthful Foods and Lifestyles”, ProPak 2008, Food Innovation Conference, Bangkok, Thailand, 2008
- “Sensory Analysis and Specialty Product Development”, Korea Atomic Energy Research Institute”, Daejeon, Korea, 2008
- “Using Consumers or Trained Panelists to Describe The Eating Experience Of Products”, Society Of Sensory Professionals, Cincinnati, OH, 2008
- “Influence of Intrinsic and Extrinsic Product Information on Consumer Assessment of Food”, International Congress of Food Science and Technology, Shanghai, China, 2008
- “Using Sensory Analysis to Understand Products, Services, and Information”, Tennessee State University Family and Consumer Sciences Seminar, Nashville, TN, 2008
- “Sensory Sciences Today: Summary” Society Of Sensory Professionals, Cincinnati, OH, 2008
- “Descriptive Sensory Analysis Of Toothpaste Flavor & Texture Using Two Distinct Sampling Methods: Brushing Vs. Spoon Tasting*”, Society of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Describing Flavor Using Fewer And Simpler Terms: An Example with Cheese”, Society of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Sensory Characteristics Of Bananas, Society Of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Beyond Products: Application of Sensory Analysis for Diverse Opportunities, Society Of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “A Lexicon For Lip Products, Society Of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Adjusting Texture Scale References for Asian Markets, Society of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Response Time: Does It Add Information to Acceptance, Society of Sensory Professionals, Cincinnati, OH, 2008, Presented By Co-Author
- “Perceptual Sensory Mapping of Green Teas from Various Countries”, International Congress of Food Science and Technology, Shanghai, China, 2008, Presented by Co-Author
- “Thickened Beverages: Roles & Knowledge Of Various Caregivers In Long-Term Care Settings”, American Speech-Language Hearing Association Annual Meeting, Chicago, IL, 2008, Presented By Co-Author
- “A Comparison of Green Tea Preference Maps for Consumers in three Countries” IFT Annual Meeting, New Orleans, LA, 2008, Presented by Co-Author
- “Effective Advertising Claims Substantiation Using Multiple Data Sources”, Pangborn Bi-Annual International Sensory Sciences Symposium, Minneapolis, MN, 2007
- “Sensory Characteristics of Fresh Tomatoes and the Impact of Processing on the Sensory Characteristics of Tomatoes” - Pangborn Bi-Annual International Sensory Sciences Symposium, Minneapolis, MN, 2007
- “Consumer Acceptability of Green Tea in Three Countries”, 3rd International Conference on Tea, Shizuoka, Japan, 2007
- “Sensory Properties and Consumer Segmentation for Sweet Tamarind Varieties Grown In Thailand”, 2nd Conference on Sensory Evaluation, Ho Chi Minh City, Vietnam, 2007

EDGAR CHAMBERS IV, cont.

- “Portion Size Estimation is not Dependent on Weight Status“, 10th European Nutrition Conference, Paris, France, 2007
- “Advertising Claims Substantiation: Integration of Sensory and Instrumental Data“, Midwest Association of Official Analytical Chemists – Chicago, 2007
- “Mapping Sensory Properties And Consumer Acceptance: A Case Study“, KSU Department Of Horticulture, Forestry, And Recreation Resources Seminar, Manhattan, KS, 2007
- “Sensory Characteristics Of Lactose-Free Milks: Comparison with Regular Milks“, Pangborn Bi-Annual International Sensory Sciences Symposium, Minneapolis, MN, 2007, presented by co-author
- “Comparison of Sensory Properties of UHT Milk from Different Countries“, IFT Annual Meeting, Chicago, IL, 2007, Presented by Co-Author
- “A Lexicon for Sensory Texture and Flavor Characteristics of Fresh and Processed Tomatoes” – IFT Annual Meeting, Chicago, IL, 2007, Presented by Co-Author
- “Line Spread Test Comparisons Of Nectar And Honey-Like Beverages” American Speech-Language Hearing Association Annual Meeting, Boston, MA, 2007, Presented By Co-Author
- “Flavor and Volatile Compound Changes Of Green Tea When Infused Multiple Times“, 3rd International Conference On Tea, Shizuoka, Japan, 2007, Presented by Co-Author
- “Green Tea Flavor: Descriptive Analysis of World Samples“, 3rd International Conference On Tea, Shizuoka, Japan, 2007, Presented by Co-Author, Best Paper Award
- “Flavor in Foods” – Distinguished Graduate Faculty Lecture – Kansas State Univ., 2006
- “Product Innovation” – Keynote Address for 8th Agro-Industrial Conference, Bangkok, Thailand, 6/2006
- “Sensory Opportunities: Sensory Strategies for Product Development and Marketing” – Plenary Lecture - Prepared Foods New Products Conference, Amelia Island, FL, 2006
- “Sensory Analysis from Product Concept to Market Maintenance” – Keynote Address for 1st Thailand Sensory Network meeting, Bangkok, Thailand, 1/2006
- “Advertising Claims: Going Beyond ‘I’m Better than You’ – Coca-Cola International Sensory Research Conference, Orlando, FL, 2006
- “Sensory Evaluation in Product Development” – Thammasat University Seminar, Rungsit, Thailand, 2006
- “Consumers’ Use and Understanding of Product Dates On Ready-To-Eat Foods” - Food Distribution Research Society Annual Meeting, Quebec City, Canada, 2006, Presented by Co-Author
- “Measuring differences in perception of portion sizes as a potential contribution to obesity” American Dietetic Association Annual Meeting, Honolulu, 2006, presented by Co-author
- “Nectar and Honey-Thick Beverages Prepared By Health Care Providers” - American Speech-Language Hearing Association Annual Meeting, Miami Beach, FL, 2006, Presented By Co-Author
- “Flavor Characteristics of Commercial Fresh and Dried Mushrooms” – IFT Annual Meeting, Orlando, FL, 2006, Presented by Co-Author

EDGAR CHAMBERS IV, cont.

Chambers, E. IV and Setser C.S. 1980. Illustrating chemical concepts by experiments in food systems for introductory chemistry students. *J. Chem. Educ.* 57: 312-313

GRANTS:

“Product Testing, Evaluation, and Research” 2001-2008. \$3,500,000+, multiple industrial sponsors
“Acceptance of Food Products during Use” 1996-2012. \$1,256,000. Frito-Lay, Inc.

“Accuracy of Descriptor Categories for Portion Size Estimation in Dietary Recalls” 2002-2006, \$275,000. US Dept. of Agriculture.

“Flavoring Youth Nutritional Beverages” 2005-2007. \$35,000. SHS, Inc.

“A Simplified, Rapid Tool for Estimating Portion Size in Dietary Studies” 2001-2004 \$265,000 U.S. Dept. of Agriculture. (Senior Associate. Principal investigator is S. Godwin – Tennessee State University)

□Use of Portion Size Aids by Elderly Americans□ 1998-2002. \$260,000. U.S. Dept. of Agriculture (Senior Associate. Principal investigator is S. Godwin - Tennessee State University)

□Evaluation of Products for Special Dietary Needs of Children and the Elderly□ 1998-2003. \$50,000. Ross Products

“Developing Procedures for Measuring Impact on Diet” 1999-2002 \$165,000 U. S. Dept. of Agriculture Family Nutrition Program

“Improving Visual Information on Nutrition for Limited Resource Audiences” 1998-2002 \$ 206,000. U.S. Dept. of Agriculture Family Nutrition Program (Senior Associate. Principal Investigator is D. Chambers)

□Product Methods Testing with Children and Youth□ 1998-2001. \$14,000. Coca-Cola Co.

□Odor of Plastics□ 1998-2001. \$37,450. Fort James Corporation

□Re-engineering a basic Food Science Course□ 1999-2000. \$18,500. American Dietetics Association (Co-Principal investigator with R. Gould, D. Chambers, B. Barrett, D. Canter)

□Evaluation of Product Characteristics□ 1998-2000. \$105,000. Peryam & Kroll Research Corporation (Co-Principal Investigator with D.H. Chambers)

□Product Methods Testing with children and youth□ 1998-2001. \$14,000. Coca-Cola Co.

□Evaluation of Products for Special Dietary Needs of Children and the Elderly□ 1998-2003. \$50,000. Ross Products

□Acceptance of Products after repeated consumption - Travel Grant to 3rd International Sensory Sciences Symposium□- 1998. \$800. Kansas State University Competitive Faculty Development (Travel Grants) Program

□Evaluation of Grain Odor□ 1995-98. \$69,847. U.S. Department of Agriculture

□Evaluation of Aids for Assisting with Dietary Recalls□ 1997. \$24,897. U.S. Centers for Disease Control, National Center for Health Statistics

□Musty Compounds in Foods - Travel Grant to International Flavor Conference□- 1997. \$1,400. Kansas State University Competitive Faculty Development (Travel Grants) Program

EDGAR CHAMBERS IV, cont.

- Effects of Honey in Heat Processed and Fresh Salsa□ 1995-96. \$15,000. National Honey Board (Co-Principal Investigator with F. Aramouni)
- Honey Spreads and Specialty Products: Prototype Development and Applied Research□ 1995-96. \$7,500. National Honey Board, (Co-Principal Investigator with F. Aramouni)
- Validation of Portion Size Estimation Aids Used in 24-hr. Dietary Recalls□ 1995-1998. \$274,301. USDA. (Senior Associate, Principal Investigator is S. Godwin - Tennessee State University)
- "Quality Study of Pork subjected to Two Types of Low-Dose Irradiation" 1995. \$117,000. National Livestock and Meat Board. (Co-Principal Investigator with D. Kropf and M. Hunt)
- Attribute Questions on Consumer Questionnaires - Travel Grant to International Food Science and Technology Conference□ - 1995, \$450. Kansas State University Competitive Faculty Development (Travel Grants) Program
- "Expert Evaluation of Products for Kansas Processors" 1995. \$11,540. Kansas Value Added Center.
- "Sensory Analysis Education for the Food Science Curriculum" 1992-1994. \$63,714. USDA (Co-Principal Investigator with C. Setser)
- "Review of Techniques for Sensory Evaluation" 1993 \$3,000. Stroh Brewing Co.
- "Determination of the Sensory Properties of Aromatic Rice" 1992-93 \$9,500. State of Texas.
- "Evaluation of instrumental methods for measuring pasta firmness" 1993 \$6,200. American Italian Pasta Co.
- "Evaluation of cookies with varying sweetener and fat replacement combinations" 1993. \$6,300. Sunette division of Hoechst Celanese Corp.
- "Myths of Sensory Methodology - Travel Grant to 1st International Sensory Symposium" 1992. \$1,500. Kansas State University Competitive Faculty Travel Grants Program.
- "Preliminary Evaluation of Products for Small Kansas Producers" 1992-94. \$27,700. Kansas Value Added Center.
- "Development of Reduced-calorie Syrups for Kansas Processors" 1992. \$5,000. Kansas value Added Center. (Co-principal investigator with F. Aramouni)
- "Snack Food Development and Evaluation" 1992-93. \$5,000. Kansas Value Added Center. (co-investigator with F. Aramouni)
- "Grain Odor" 1991-92. \$81,507. USDA.
- "Use of Honey in Extruded Ready-to-Eat (RTE) Cereals" 1991-1992. \$20,000. National Honey Board. (Co-principal investigator with P. Neumann)
- "Sensory Support--Remodeling" 1991. \$5,000. Kansas Value Added Center
- "Sensory Evaluation of Ingredients for International Markets" 1990-92 (multiple phases). \$45,500. Pepsico Food Service International/Pizza Hut. (Co-principal investigator with C. Setser)
- "Flavor of Selected Fresh Water Fish" 1990. \$5,000. Kansas Value Added Center
- "Evaluation of Jams and Jellies from small Kansas Producers" 1990. \$5,000. Kansas Value Added Center
- "Development of Soybean Derivatives Suitable for Textile Manufacturing" 1990-91. \$10,000. Kansas Soybean Association. (Co-investigator with B. Reagan)
- "Research Equipment for Development of Food Products" 1989. \$8,505 Kansas Technology Enterprise Corp. (Co-principal investigator with C. Setser)

EDGAR CHAMBERS IV, cont.

"Non-Food Uses of Soybean Protein and Oil in Textile Manufacturing, Printing, and Finishing"
1988-1992. \$90,000. Kansas Agricultural Experiment Station - Competitive Grants Program.
(Co-investigator with B. Reagan)

"Sensory Analysis Training Materials". 1988-89. \$27,979. General Mills, Inc.

"Development of a Sensory Panel to Evaluate Agricultural Products". 1988-89. \$16,986. Kansas
State Board of Agriculture (50%) and Kansas Value Added Center (50%).

"Equipment for Sensory Analysis Research". 1989. \$900. Kansas State University Faculty
Development Grants Program.

In addition to the grants listed, over \$2,000,000 in the period 1988-2000 in industry sponsored
contract research on foods and beverages; packaging materials; finishes; personal care
products and fine fragrances; pharmaceuticals; fabric, paper and textile products; and other
consumer products
